

# HILLSBOROUGH SWIM TEAM 2024 REGISTRATION FORM

Is your 5-year-old a dog-paddler? Does your 12-year-old do the butterfly? We want 'em!

Swim Team is one of the greatest perks of the Hillsborough pool: great exercise, healthy team competition with other neighborhood pools, learning new skills and making new friends. The swim team offers so much! It is a neighborhood magnet that draws families together around a common goal, giving children a terrific outlet for their talents, time and energy! And, you can ask any former Hammerhead (and their parents) – it's serious FUN!

Children, four through fourteen, who can swim are encouraged to join. Register your swimmers below, and soon we'll be cheering as the Hammerheads race to the finish this summer.

Mail registration form and check payable to:
